Financial Orders by this Board have not been received

as in the case of local allowance to Mr. Mumford, since the Sanitary Board undertake to pay the house-rent, there is no financial objection. The house now occupied by him at present may be let out on rent, which however, should not be utilised towards any portion of the rent of 40 Rs, to be given to Mr. Mumford.

2013/11

2) Dr Mennis had no authority to occupy the house in the Khas Jeedi Hills built for the Sanitary Inspector rent free. He was selected at the result of an advertisement and it stood therefore to reason that he should do nothing more than what he contracted for. Under the previous orders Rs he was given a local allowance also, which he never could have expected when he replied to the advertisement calling for candidates. We learn that all Officers have been provided with Government Quarters. As per this Care for there was no Covenant with the Officer to provide him with a free house and more over he had an unexpected increase in the shape of a handsome local allowance

GBPM—9-6-10—300

Ls file no 257—20 18

Submitted to His Highness.

55

These papers relate to the question of granting a house-rent allowance to Dr. Munsiff, Health Officer, Kolar Gold Fields.

56

2. Dr. Munsiff was appointed Health Officer for the Kolar Gold Fields in May 1908 on a salary of Rs. 250-$\frac{50}{2}$-400 with a conveyance allowance of Rs.50. Subsequently in May 1909 he was also given a local allowance of Rs.100. A free house or house-rent allowance is not among the terms of Dr. Munsiff's employment, but when he went to the Kolar Gold Fields, the house occupied till then by the Sanitary Inspector was placed at his disposal as the appointment of Sanitary Inspector was abolished when a Health Officer was appointed. This house is found to be too small for Dr. Munsiff's present requirements, and the Sanitary Board, as well as the Deputy Commissioner and the Sanitary Commissioner, recommend the grant of a house-rent allowance of Rs.40 to Dr. Munsiff.

Page 16 of office notes 57

3. The First Councillor supports the recommendation, and I was inclined to agree, but in view of the objections urged in the Financial Secretary's note of

Page 14 of office notes

19

the 24th May and the fact that the grant of too many allowances to this officer will make it difficult to transfer him elsewhere if required in the interests of the service. the question has been considered in Council. The Council is of opinion that no good cause has been shown for the grant of house-rent to Dr. Munsiff, who already draws a local allowance of Rs.100. Other Health Officers also do not get such an allowance.

58 4. If approved, the request will be declined.

Sec.

I Chandra Rao

PRIVATE SECRETARY MYSORE

Fernhill,

14th August 11.

My dear Sir,

I am directed to return File No.2200 dated 15-7-11 with the following observations from His Highness:

The proposal to give Dr.Munsiff a House Rent allowance in lieu of the free quarters hitherto occupied by him comes from the Sanitary Board and there seems to His Highness to be no objection to his being allowed to draw it so long as no extra expense is involved to Government.

As pointed out in the notes some extra expense is involved in the suggestion made that the house hitherto occupied by Dr.Munsiff should be turned into a laboratory and that the Mysore Government should pay Rs.25/- a month as rent to the Sanitary Board for the same. This suggestion, should, His Highness thinks, be vetoed.

So far as Government is concerned the allowances already sanctioned in Dr.Munsiff's case are sufficiently liberal

U R G E N T.

Champion Reefs, 17th February 1911.

L.B. 257-10-1

Dr. Munsiff, Health Officer, Kolar Gold Fields, has applied for a month's leave from 1st March, for his marriage which has been fixed in that month. As today's Gazette does not notify the leave, at his request, I hasten to write to you to kindly expedite the sanction and communicate it early.

In this connection, I have to state that he is entitled to a free house here, and the house that we had provided for him till now - in the midst of Robertsonpet, a very small one originally built by the Sanitary Board for its Sanitary Inspector - is very incommodious and quite unfit for a married officer of his class. Col. Smyth has agreed that it would suit the Bacteriological Laboratory admirably, for which I had been asked to rent a suitable building which could not be had anywhere even for Rs. 30. My purpose was to take this on for the Laboratory for the present, Government paying the Board Rs. 20 per mensem rent, till it was taken over later on either for Hospital Assistant' or Lady Doctor in charge of Maternity, for both of which it is equally suitable; and with the said Rs. 25 and another 20 or 25 rupees contributed by the Board to hire a suitable house for the Health Officer at Champion Reefs. Rents in Kolar Gold Fields are very high, and

Your D.O. dated 21st ultimo, anent free quarters for the Kolar Gold Fields Health Officer. Though the Health Scheme does not provide for free quarters or house rent to the Health Officers, it has been the general understanding and uniform practice all along, to provide suitable quarters to all the Officers on the Fields, as unlike elsewhere, no buildings of any kind are available here either for love or money, this not being a settled Town or place where habitable quarters can be procured. The whole area was once a desert, and even now several of the Mines are daily constructing buildings all over for the use of their own employees.

The question, therefore, of constructing separate quarters for Dr. Munsiff, did not arise when he was appointed, as there was then available the small house of his predecessor who was only a Sanitary Inspector, built by the Sanitary Board, and Dr. Munsiff being then a bachelor, was

C. 763

Dated Champion Reefs, the 7th March 1911.

From

C. Srikantesvara Aiyar, Esquire., B.A., B.L.,
President, Sanitary Board, Kolar Gold Fields

To

P. S. Achyuta Rao, Esquire.
Offg. Sanitary Commissioner in Mysore,
Bangalore.

Sir,

I have the honor to state that Dr. J. Munsiff, Health Officer, Kolar Gold Fields, is at present occupying a house at Robertsonpet built by the Sanitary Board for the Sanitary Inspector, on a small scale, about 10 years ago. The building with one hall and a couple of rooms, is very small and incommodious for residence of an Officer of Dr. Munsiff's status and position. Like all other Officers on the Fields who are given free quarters, Dr. Munsiff could not be provided with a house on the Fields when he arrived and as he was then only a bachelor, he was permitted to occupy this small Sanitary Inspector's house for the time being.

2. It has now become necessary to find him a suitable accommodation. Generally no Bungalows are available on the Fields, unlike elsewhere. But rather than build a new house for the Health Officer, I have for some time been looking out for a small bungalow near Coromandel or Tank Block Mines, where, owing to the works having been closed, one or two eligible houses may be found, if the Mines authorities are agreeable to let the same at a monthly rental of about Rs 40 or so, which is very fair and moderate in these parts. The Sanitary Board are agreeable to bear this charge, and have accordingly provided for it in their Budget Estimates for 1911-12, recently submitted to Government.

3. As a set off against this expenditure, the Board desire that the present house occupied by Dr. Munsiff be let out at a rental of not less than Rs 25 a month. The building will, in course of time, come in handy for quarters for the Lady Apothecary in charge of the Maternity which is proposed to be opened at Robertsonpet, being so close to the Coronation buildings and the Government Civil Hospital, and Col. Smyth, who has seen it, is I learn, agreeable to this course; or it may be used even for the Hospital Assistant's quarters, who are now paid house rents for want of separate buildings for them. But till then, it is proposed to locate the Bacteriological Laboratory in the said building, Government paying to the Board a rent of Rs 25 for it, as no other building has yet been found or is available on the Fields for the purpose even for rent, which was suggested in your letter No.704 dated 6th August 1909; and it was only for want of such suitable accommodation, as you are aware of, this Laboratory which has been so much pressed for by the Mining Board, could not be opened till now. By such arrangement, the extra expenditure that the Board would have to incur on rent for their Health Officer's house will be only Rs 15 per mensem or Rs 180 per annum, which they are prepared to meet, considering the importance and urgency of providing a suitable and decent house for Dr. Munsiff. The expenditure on this account during the remaining months of the current year, may be met out of Rs 1,000 provided under "C.X. Mis. Other Items" in the current year's Budget.

4. I therefore request that you may be so good as to obtain the sanction of Government for these proposals as early as practicable, as Dr. Munsiff, when he returns from the month's leave he has now been away, will need the house very badly.

I have the honor to be,
Sir,
Your most obedient servant,
Signed. C. Srikanteswara Aiyar,
President.

Letter No. 66 dated 21-7-1911 from the President, Sanitary Bd., K. Gold Fields to the Sanitary Commissioner.

I have the honor to invite reference to my letter No. C. 163 dated the 7/8th March 1911, anent the grant of a house-rent to Dr. Munsiff, Health Officer, Kolar Gold Fields and to state that Dr. Munsiff having returned from his leave in April last, has been living in the new house since then, and rent for the three months from April to June 1911, is already due to the Nundidroog Gold Mining Company. The charge has been provided for and tentatively approved by Government also in the current year's Sanitary Board Budget, vide para 5 of Government Proceedings No. 8461-74 L.B. 259-10-2, dated the 17th April 1911. I have therefore to request that you may be so good as to kindly obtain very early orders of Government in the matter.
